

Membership Application - New and Renewal

WASCO (Watercolor Artists of Sonoma County) offers two membership levels and the ability to receive our monthly newsletter, depending on your interest in participating:

1. Volunteer Member - Dues: \$45/year

These persons are volunteering members who work on committees, the Board of Directors, the Circuit, and/or shows and exhibits. They are required to work one shift (3-4 hrs) at annual Aqua Areas Show and if they are not available to do this need to find someone to replace them or pay \$10.00 absence fee. These members receive full benefits from WASCO.

2. Honorary Member - Dues \$65/year

Honorary members receive the same full benefits as voluntary members, but are not required to volunteer except when participating in a show. These members receive full benefits from WASCO.

3. Newsletter Recipient - Dues \$25/year

Newsletter recipients receive limited club benefits. They receive the newsletter. They are welcome to attend meetings, but must pay the \$5 guest fee. They cannot be on the circuit, nor can they exhibit with WASCO. For "open shows", they must pay the same fee as non-members and must volunteer when participating in a show.
